CAMPUS MINISTRY EVANGELIZATION WORKSHOP

Friday

Evangelization – 7:00-8:00 p.m.

*Using Sacred Scripture and Pope Paul VI's apostolic exhortation, *Evangelii Nuntiandi*, we will define evangelization and discuss typical hesitations, Protestant approaches, Catholic approaches.*

The EC Pyramid: Connection to Christ – 8:00-9:00 p.m.

This session will introduce the foundation of the EC's Pyramid framework for evangelization, "Connection to Christ." Using Scripture and other sources of Catholic encouragement, we'll explore why it is crucial, what it corrects, and the practical fruits of this focus. We'll also look at practical ways of keeping central in the busy-ness campus ministry.

Saturday

The EC Pyramid: Person-to-Person Ministry – 9:00-10:00 a.m.

This session will introduce the second level of the EC's Pyramid framework for evangelization, "Person to Person" ministry. Using the wisdom of Scripture, Henri Nouwen, Pope John Paul II, and others we will look at the priority of truly loving others and not allowing the drive for programming to hinder authentic community.

Training Methods and Exercises for Evangelization - 10:00-12:00 p.m.

This session will pass on effective ways to equip college students for evangelization that flow from the first two levels of the EC's Pyramid.

The EC Pyramid: Intentional Ministry – 1-3:30 p.m.

This session introduces the third level of the EC's Pyramid framework for evangelization, "Intentional Ministry." Using the General Directory for Catechesis, we will learn to establish clarity and alignment in our various ministries in order to more fruitfully "make disciples." This session will also allow us to begin mapping our programming in order to evaluate current strengths and weaknesses in the overarching task of evangelization.
